Subject: Internship Acceptance Letter

Dear Sujan Kumar Baidhya ,
Greetings from Only IT Training Center!

We are pleased to inform you that you have been selected for the internship program in Artificial Intelligence and Machine Learning at our organization. After reviewing your application and academic background, we believe that your interest and enthusiasm for the field align well with the goals of our internship program.

Your internship will commence on February 17 and will continue until May 17. During this period, you will be guided by our team of professionals and will gain practical experience through real-world projects and mentorship sessions. This internship is designed to help you build your skills in AI and ML, understand industry practices, and contribute to meaningful technological solutions.

We look forward to having you on board and are confident that this internship will be a valuable step in your career development. Kindly confirm your acceptance of this offer by replying to this letter by February 16, 2025.

Welcome to the Only IT Training Center family!

With Regards,
